

WHO ARE WE?

We are a group of parents and youth who also answered "yes" to many or all of the questions asked.

We have all been there.

We understand!

We are here to help you.

Our group's goal is to help you communicate, to help yourself and your family achieve peace in the home.

As a group we meet once a week. We share our problems, as well as, our successes. We come up with creative and workable solutions that help.

Because I Love You.

Family In Crisis?

PARENTS – HEARD THESE EXCUSES?

- It is my life, I can do what I want
- It is not mine, it belongs to a friend
- It was not my fault
- You do not understand
- My teachers hate me
- School is boring
- Nobody else's parents do that

YOUTHS – HAVE YOU HEARD THESE . . .

- Is your bed made?
- Is your room clean?
- Are you on drugs?
- Have you been drinking?
- Did you finish your chores?
- Where's your report card?

If you can relate
to any or all of these,

Because I Love You
Parent and Youth Support Groups
Is Here To Help

LET B.I.L.Y. HELP YOU!

Because I Love You was founded in California in 1982. Since then, we have grown into a nationwide network of groups, who meet weekly. Over 500,000 families have successfully participated in B.I.L.Y. Groups.

We Care

OUR PARENT GROUPS

Our groups are made up of parents, possibly just like yourself, who are struggling with issues occurring within their homes, and/or within their lives. Children of any age can have impact on their families and our group works with parents who have children of all ages. The groups are run by parents, not professionals, who have worked the B.I.L.Y. program and have been successful with it. They now give back by helping others, while at the same time, working to maintain their positive goals.

OUR YOUTH GROUPS

The youth group (minimum age is 13) is designed to work specifically with youth whose parents attend and participate in the parent group. The focus is teaching communication using the B.I.L.Y. Program. Youth who have been able to show long term and sustained success are encouraged to remain with the group and work as Peer Counselors ... who better to help new youth, then those who have experienced the program and realized success.

Youth Group is a confidential safe place to attend and feel a sense of belonging. No issue is taboo and all youth are included in the process.
