- When your kid's friends ask to use the bathroom, are they really going through your medicine cabinet?
- Are teens really having "Pharm" parties, where they combine pharmaceutical medications into a communal bowl and take random drugs to get high?
- How are kids using social media to access Heroin and other drugs?

Get the sobering facts about Heroin use among our children in the San Fernando Valley. The Symposium will feature Councilman Mitchell Englander along with Ray Schiller, a Paramedic; Cary Quashen from Action Family Counseling; Dr. Jeffrey Abrahams from Northridge Hospital; Detectives Williams and Mosley of Devonshire Division; BILY parents with their current recovering Heroin Addicts and a mother who lost her child to addiction.
