

PARENT'S BILL OF RIGHTS

We have the right to our own lives!

We have the right to feel good about ourselves!

We have the right to a full night's sleep without worrying about our children's whereabouts or what they are doing!

We have the right to live in a clean and orderly home!

We have the right to get help with work in the house!

We have the right to be spoken to politely!

We have the right to not fear physical abuse!
